

Experience Europe

**Come and visit the
interactive exhibition
of the European
Commission**

Curriculum-Linked Learning

Bring the EU to Life - Align visits with **Citizenship, Politics, History, Geography, or Modern Foreign Languages** syllabi - covering EU institutions, values, and policies in an **engaging, real-world context**.

Ready-Made Resources - Free pedagogical materials (fact sheets, questionnaires, interactive activities) to **extend learning before and after the visit**.

Critical Thinking - Tackle misinformation (e.g., from social media) by fostering **evidence-based discussions** on EU topics.

Interactive & Student-Centred Activities

“Let’s Talk Europe” (Ages 15+):

Debate & Dialogue: Students engage in **facilitated discussions (ca. 45 min)** with EU staff on:

1. How the European Commission works.
2. The EU’s impact on their daily lives.
3. Future EU priorities (e.g. climate, digitalisation).

Skills Development: Boosts **argumentation, public speaking, and civic awareness.**

Exhibition Highlights (Ages 12+):

Hands-On Zones: *Meet the President* (virtual interaction), *Call Europe* (role-play scenarios), *Play Europe* (gamified learning).

360° Europe & EU Map: Immersive tech to explore EU projects and geography.

Hassle-Free School Trips

Free & Accessible:

No cost for schools, and **group reservations** (10+ students) are straightforward via email: EC-experienceeurope.brussels@ec.europa.eu.

Multilingual Support: Activities available in **7 languages** (EN, FR, DE, NL, ES, IT, PL) with options for all **24 EU official languages** - ideal for language departments.

Central Location: Easy to reach at **Rond Point Schuman, Brussels** in the heart of the European Quarter.
