# Host a School

**We invite motivated teachers to become host teachers.**

Host schools will welcome groups of 10 to 15 visiting teachers for a professional exchange in an authentic school setting.

**As a host teacher, you can:**

- Present your work in history or civic education
- Introduce your school and its educational approach
- Share a concrete project developed with your students
- Offer a short tour of the school
- Engage in a Q&A and professional exchange with visiting teachers

**Hosting a group in your school will give you:**

- Free participation in the full four day conference, including professional development with keynote lectures, workshops, panel debates, and a cultural programme
